presents

Mental Illness & Substance Abuse in Resident Physicians:
A Panel Discussion about Medicolegal Issues

Tuesday, May 24th

12:00 p.m.

HEB 110

Lunch will be provided

Panelists: David D. Goldberg, DO, Medical Director of the Ohio Physicians Health Program
Lance A. Talmage, MD, Past Chair of the Federation of State Medical Boards
Daniel S. Zinsmaster, JD of Dinsmore & Shohl law firm
Lisa Kirby, MFT, PC, Account Manager at Impact Solutions

Moderators: Mindy Cheng, MD, Dept of Emergency Medicine PGY-3
Selena Magalotti, MD, Dept of Psychiatry PGY-2

Questions for Discussion Include:

- 1) Can a resident physician seek help anonymously for substance abuse or mental health issues?
- 2) What resources are available to a resident physician?
- 3) If a resident physician seeks help, will medical records be accessible to current or future employers?
- 4) What information is a physician legally required to disclose to a medical board regarding past treatment while applying for a license?
- 5) What and when is a physician legally required to report to a medical board regarding substance abuse or mental illness?
