## Experience

### **Represented Life Company Lender on Nearly 100 Loan Closings**

We represented a national life insurance company on all aspects of loan documentation, negotiation, and closing for nearly 100 loans in 2016 and 2017. The loans ranged from less than \$1 million to more than \$20 million and were secured by a wide range of commercial real property, including retail centers, warehouses, apartment complexes, and hotels. Dinsmore worked closely with the client, borrower's counsel, title companies, surveyors, and other third-party providers to resolve loan documentation, real estate, tenant, and borrower organizational structure issues and all other issues necessary to close various loans in a cost-effective and collaborative manner.
