

## Jack R. O'Sullivan (non-Attorney)

Patent Agent  
[jack.osullivan@dinsmore.com](mailto:jack.osullivan@dinsmore.com)

Lexington, KY  
Tel: (859) 425-1042

Jack is a patent agent with a strong foundation in engineering and product development, particularly in the areas of embedded systems, printed circuit board (PCB) design, human-machine interfaces and aerial vehicle technologies. His industry experience spans the full lifecycle of innovation—from initial concept through system integration and final release, providing him with a practical understanding of how ideas evolve into market-ready solutions.

This technical insight informs his approach to patent strategy and prosecution, allowing him to work closely with inventors and companies to identify and protect the core value of their innovations. Jack concentrates on helping clients navigate the patent process with clarity and efficiency, particularly in industries where precision and performance are critical.

### Services

- Intellectual Property
- Patent Procurement & Management

### Education

- Milwaukee School of Engineering (B.S., *with high honors*, 2022)
  - Electrical and Electronics Engineering

### Bar Admissions

- U.S. Patent & Trademark Office
