

Katherine A. Frait (Non-Attorney)

Patent Agent
katherine.frait@dinsmore.com

Detroit, MI
Tel: (248) 203-1653

Kate is a registered patent agent with a strong foundation in materials science and a diverse engineering background including automotive and ceramics. She focuses her practice on patent preparation and prosecution, helping clients protect their innovations across a range of technical fields. While earning her law degree, Kate served as a student attorney with the Northeastern Intellectual Property Law Clinic, where she gained hands-on experience in IP strategy and client advocacy. Her combined technical expertise and legal training make her a valuable asset to clients navigating the complexities of intellectual property law.
