

Michelle A. Hamson

Associate

michelle.hamson@dinsmore.com

San Diego, CA

Tel: (619) 400-0483

As an intellectual property and patent attorney, Michelle focuses on preparation and prosecution of both domestic and foreign patent applications. Her practice encompasses a variety of technologies including, but not limited to, software, machine learning, artificial intelligence, biotechnology, and medical devices. Along with patent applications, Michelle's practice also includes preparation and prosecution of foreign and domestic design applications. This experience includes the designs of both mechanical and graphical user interfaces (GUI).
