Experience

Foreign Corrupt Practices Act, Anti-Bribery and Anti-Money Laundering Compliance

We routinely assist public companies, their subsidiaries and private companies in creating effective compliance programs. We recently concluded, on an efficient basis, providing contract provisions, re-drafting international sales and distribution contracts, creating and suggesting training power points and software modules, drafting third-party and employee periodic compliance questionnaires and certificates, advising on internal audit functions and related procedures and revamping client compliance policies. We were proud to add significant value to the client's compliance and prevention efforts.

Sale of Companies through Chapter 11 Plan of Reorganization

We acted as lead counsel for the Wornick Companies ("the Companies") in the sale of the Companies to bondholders who held 85% of the publicly-traded debt securities of the Companies through a Chapter 11 Plan of

Reorganization. The value of the transaction was \$85MM. Our firm also acted as lead counsel for the debtor in the Chapter 11 bankruptcy proceeding in the Western Division of the Southern District of Ohio. The Company is a leading supplier of Meals Ready to Eat (MRE) to the armed services.

Sale of Company in Connection with Chapter 11 Restructuring

We represented Milacron Inc. as lead counsel in the sale of the company and its numerous international subsidiaries ("Milacron") to bondholders who held over 90% of the publicly-traded debt securities of Milacron through a Section 363 asset sale in connection with Milacron's Chapter 11 restructuring. The transaction value was approximately \$175MM. Our firm also represented Milacron as lead counsel in the Chapter 11 bankruptcy proceeding in the Western Division of the Southern District of Ohio. Milacron is a major solutions provider to the plastics-processing industries and a leading supplier of premium fluids to the metalworking industries.
