He has significant experience with FHA-insured financing programs for both multifamily housing and healthcare facilities as well as HUD's asset management functions (e.g., Transfers of Physical Assets, Interest Rate Reductions, Section 8 Housing Assistance contract assignments and Section 209 Use Agreement transfers).

While at HUD, Sam achieved notable success. To name a few; closing the largest single HUD insured loan in the Kansas City Regional Office (over \$100 million), presenting at the Southwest Mortgagee Advisory Council's annual conference and HUD Closing School, and assisting in the foreclosure, repositioning, and sale of a prominent HUD-insured cooperative housing development in Kansas City, Missouri's urban core.

Additionally, Samuel has unique experience and familiarity with HUD's environmental review requirements, and has helped clients successfully navigate floodplain, wetland, noise, contamination and historic property issues on proposed HUD projects.
