

Sarah J. Johnson (Non-Attorney)

Patent Agent
sarah.johnson@Dinsmore.com

Pittsburgh, PA
Tel: (412) 230-8982

Sarah is a patent agent who now focuses on patent prosecution, leveraging her seven years of applied research and engineering. Her written and communication skills with customers and colleagues has resulted in successful publications and presentations. Some of her applied specialties include: fluid dynamics, rheology, computational fluid dynamics, biology, and chromatography.

Sarah has advised and coached technicians, engineers, and managers on technical details of respective product lines and research methods, and has played an active role in STEM youth outreach programs. Shortly before transitioning to patent prosecution, Sarah became a licensed engineer (June 2022).

Education

- Pennsylvania State University (M.S., 2018)
 - Chemical Engineering
- South Dakota School of Mines and Technology (B.S., 2016)
 - Chemical Engineering
- Technische Universität Darmstadt (2016)
